

**Always have a mask with you, and use it in confined spaces when not alone. You can flirt with your eyes too, you know.**

**Wash your hands often and with care. Water nymphs will be happy to assist.**

**There are antiseptic dispensers throughout the hostel. Use them all and win Asclepius' favor!**

**Always use your mask in the elevator. Learn to smile with your eyes, private lessons taught by Aphrodite.**

**When meeting others, try to keep the elbow-to-elbow greeting. It's probably what Spartans did.**

**In common areas, try to keep a 1,5 meter distance from others. Offenders will be hit with a bolt of lightning.**

**Sneeze or cough in your elbow. Let's face it, you should always do that despite the virus.**
