01 The Hostel

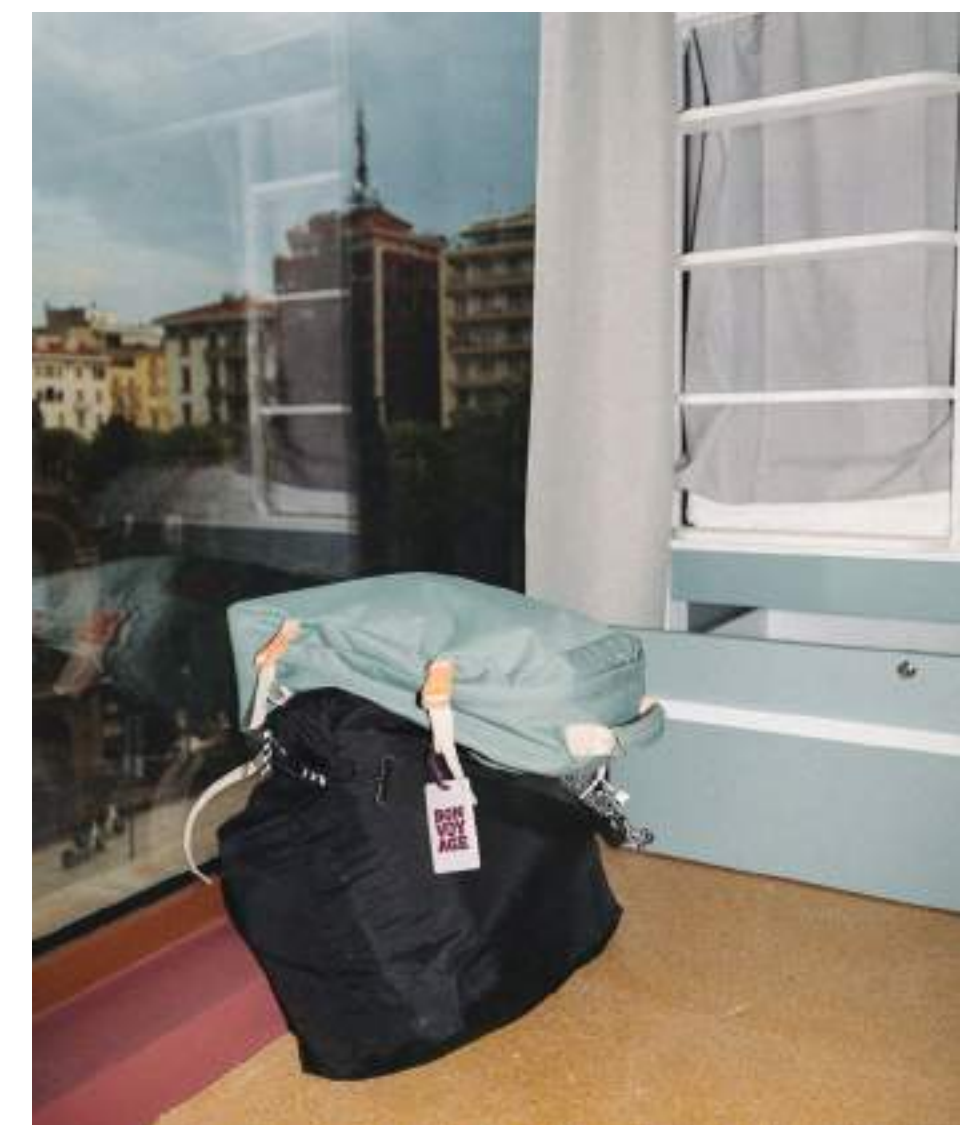

Looking for a divine stay at the heart of Thessaloniki?

Welcome to Zeus is Loose!

A 7-story hostel right next to Aristotelous Square, at an arm's length from the city's vibrant center, and very close to numerous UNESCO World Heritage Sites. If Zeus ever decided to move from Mount Olympus, we would definitely be his first choice.

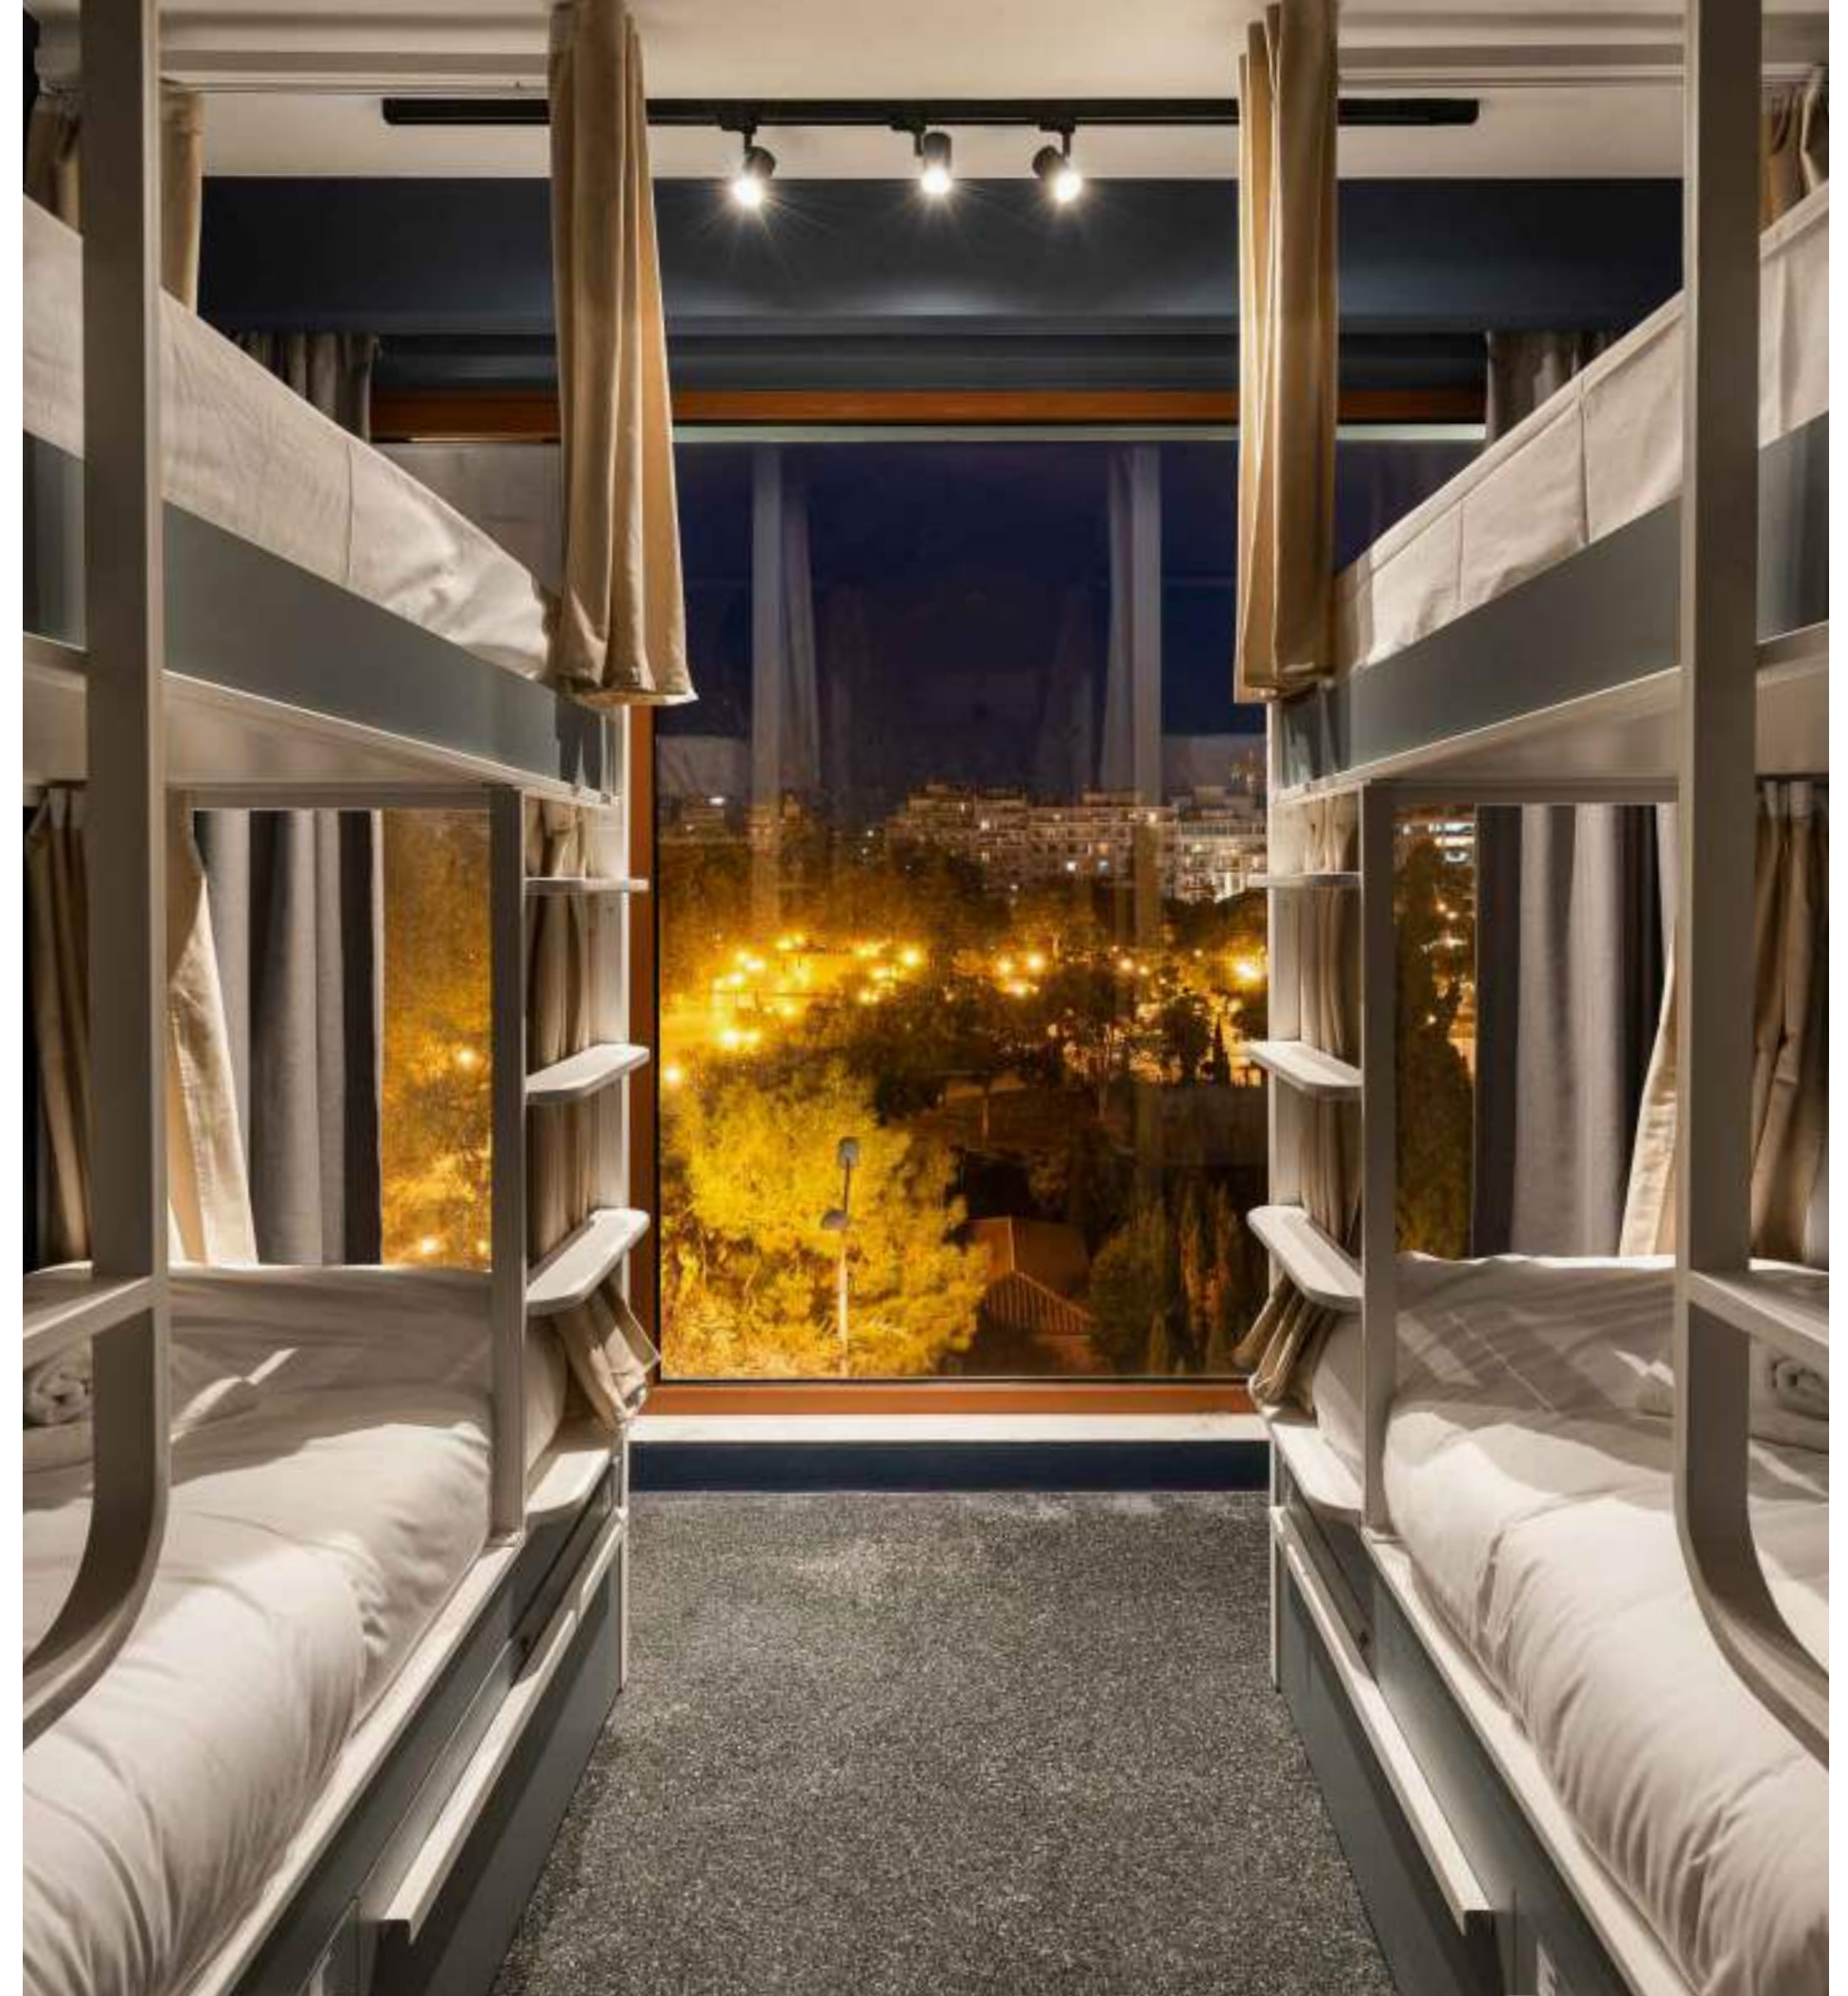

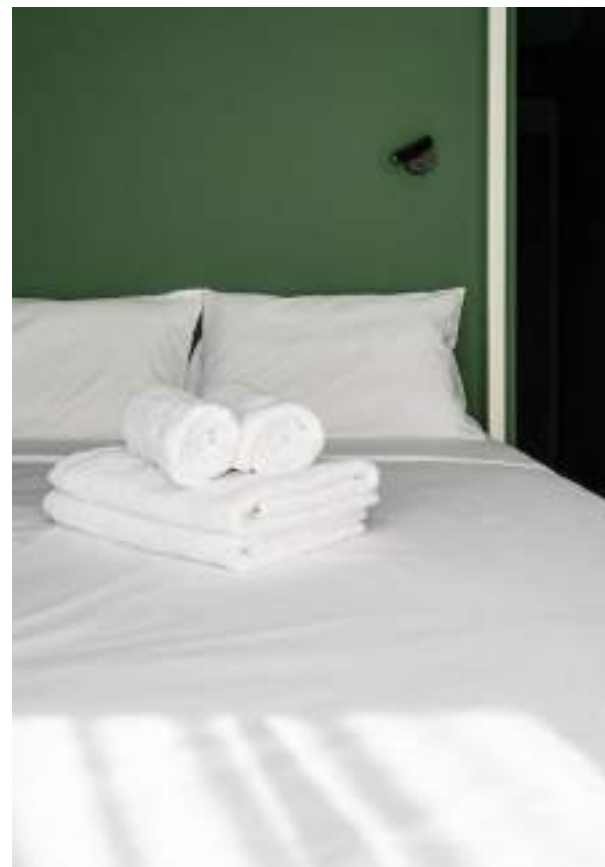

Zeus is Loose Hostel, which will make you feel divine! Grab the chance to fully emerge in Greek culture, from the ancient to the modern. Ideally located, ZiL makes it easy to explore Thessaloniki like a local. Whether you're a team, a tour group, or just a company of friends, come, and we'll help bring your adventures to life. Just follow the 2-meter-tall neon lighting at the top of the building!
